Technologies

ajax, **android**, apache, bash scripting, **c**, **c++**, corel draw, **css**, cyrus, **django**, dns, firewall, flash, freebsd, gimp, **git**, **gtk**, gtkmozembed, hotspot, html, inkscape, iphone, LATEX, **linux**, **java**, j2me, **javascript**, **linux**, **mercurial**, mojo, mysql, openoffice, **php**, pygtk, **python**, **rest**, samba, squid, squirrelmail, subversion, visual basic, webkit, windows mobile. . .

Languages

Galician	**Mother tongue.**
Spanish	**Mother tongue.**
English	**Good reading. Good writing. Medium speaking.**
Portuguese	**Understanding level.**

Other interesting information

1. The BPS was selected as one of the best I+D project of Castilla y León by the Fundación Universidades.
2. Speaker in several business and technical talks. As an example: JME talk at Xuventude Galiza Net '09, to I+D+i managers at ADEuropa, or about FLOSS with CENATIC.
3. Developer of the CMS that people used at `rianxosencabos.com`, `sanciprian.com` and `alex.rianxosencabos.com`.
4. My last public repository at `github.com/agonzalezro`.
5. Active participant in several associations: AGNIX, RSC, GALPon.
